Dear Mr. Manley:

I am writing to see if your team will be able to meet me in Wilmington, N. C. for a night game. The spectators turn out there very well. We played a local team and we drew 1672 spectators and league teams draw up to 3,000 people., This game was played between my team and the Homestead Grays. The admission will be \$1.20.

Hoping to hear from you soon.

Very truly yours,

Douglas L. Gordon
